Our Pollinator Garden is IN!

Shoreview Natives finished up installing our native plant garden behind our building early June and with time, it's going to look absolutely amazing! We appreciate everyone's patience as the tiny plants grow and fill out the space. The light-colored matting you see serves as a weed barrier and we are working on getting mulch for the pathways through the garden. Stop by our building and check it out! Thank you again to those who made this garden possible: Shoreview Natives, Lake County Soil & Water Conservation District, Blandin Foundation, and T-Mobile Hometown Grant.

NSAP serves everyone regardless of race, national origin, religion, gender or disability.

Welcome New Staff Members!

Kelly Looby, Executive Director

Kelly has lived and worked in the Arrowhead region of Minnesota for the past 30 years. She comes to NSAP with a variety of non-profit experiences including program development, budget oversight and staff development. In her free time, she enjoys spending time behind her camera taking photos of wildlife in the area, hanging out in the woods and exploring the region.

Danika Thompson, Home Health Aide

Danika is currently a student at Lake Superior College studying nursing. She has lived in the Silver Bay area all her life and is excited to give back to the community in any way she can. Danika's hobbies include spending time with family, shopping, hiking, and working her other job as a waitress!
